

# WHITESIDE COUNTY GIS

## Internship Announcement

Position: GIS Intern

Dates: May-August 2009

Hours: 8:30-4:30 Monday-Friday

Pay: \$10/hr

### **Duties:**

The intern will be working on several different projects for the GIS office depending on need. These may include creating and correcting polygon topologies, attribute updates, creating custom maps, among others.

### **Qualifications:**

- Enrolled in a degree program in GIS, Geography, or related field.
- Experience using ESRI ArcGIS software and basic knowledge of Arc Editing tools.
- Must be able to work independently.

### **To Apply:**

Send resume to Whiteside County GIS, 200 E. Knox St., Morrison, IL 61270 or email to [llee@whiteside.org](mailto:llee@whiteside.org).

Interested applicants may contact Lauren Lee, GIS Technician for more information.

Resumes must be received by 4:30 on April 3, 2009.
