

NOTICE TO TAXPAYERS
FARMLAND EQUALIZATION FACTOR

Pursuant to 35 ILCS 200/10-115, the Farm Land assessments for the 2021 assessment year will increase by 10% of the preceding year's median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a \$35.21 per acre increase for each soil productivity index.

Farmland assessments are made in accordance with the Farmland Assessment Law and using values certified to the County by the Department of Revenue.

All farmland in Whiteside County has been reassessed for 2021 using the 2021 farmland values as certified by the Department of Revenue.
