Whiteside County Health Department Pausing Walk-in Wednesday Immunizations

October 20, 2021 – Whiteside County Health Department will be pausing Walk-in Immunizations on Wednesdays. Whiteside County residents needing immunizations will be able to make an appointment on Tuesdays, Wednesdays or Thursdays from 8:30am to 4:00pm.

We are taking this step in response to the current high demand for immunizations, limited supply, and recent shipping delays. Our hope is that this will help provide a more uniform experience for residents and reduce wait times which have been longer than normal on Wednesdays.

Flu and COVID-19 immunizations are currently unaffected and will continue to be offered to walk-ins Monday through Friday 8:30am to 4:00pm. All other immunizations will be by appointment.

Individuals interested in immunizations can call 815-626-2230 and choose option 4 to schedule an appointment on Tuesday, Wednesday or Thursday.
