## **Whiteside County Health Department and CGH Medical Center to Offer Moderna Vaccine Booster Clinic on November 8th**

November 2, 2021 – The Whiteside County Health Department, in partnership with CGH Medical Center, will be holding a joint, appointment only, Moderna Booster vaccine clinic on November 8th from 9am to 1pm at the McCormick Event Center in Rock Falls. We hope this clinic will help us quickly and efficiently provide additional protection to those most at risk who currently qualify to receive booster doses.

Following CDC and IDPH recommendations, individuals who completed the primary series of **Moderna** or **Pfizer-BioNTech/ COMIRNATY COVID-19 vaccines** at least 6 months ago are eligible to receive a booster shot if they are:

- 65 years and older
- Age 18+ who live in [long-term care settings](#)
- Age 18+ who have [underlying medical conditions](#)
- Age 18+ who work or live in [high-risk settings](#)

Additionally, all individuals age 18 and older who received the **Johnson & Johnson (Janssen) COVID-19 vaccine** two or more months ago are eligible to receive a single booster shot.

Individuals who are eligible for boosters may schedule an appointment for a Moderna booster online at: <https://events.juware.com/IL-IDPH/9fb20c4f-3b5b-490c-9f0d-1cc846114086/> or visit [vaccines.gov](https://vaccines.gov) to find a provider near them.

Due to high call volumes, we encourage individuals to schedule online if possible. However, individuals may also schedule by calling the IDPH Vaccine Appointment Call Center at 833-621-1284 or the Whiteside County Senior Center at 815-622-9230 ext. 194.
